

Volunteers Needed

We are looking for Christian people who have a high dedication to supporting youth.

You may have heard it takes a village to raise a child- well it does indeed take a community to provide for its own children! Timber Bay is just that- a small community of caring Christians (most of whom are volunteers) who seek to give all children a place to safely interact, grow, and develop.

There are many challenges that our youth face today in this fast changing culture that makes it difficult to succeed and to make right decisions. Many hands make for lighter work & helps us to reach every youth with the love and care that they need to succeed. Won't you join us in supporting our youth?

We Need Help With

- ☒ Youth mentoring
- ☒ Community awareness
- ☒ Active fundraising
- ☒ Prayers
